

PROCLAMATION

City of Hot Springs, Arkansas

Whereas, the Pink Ribbon reminds us that breast cancer is the most commonly diagnosed cancer in woman and the second most common cause of cancer deaths in women in the United States. However, when breast cancer is detected in its earliest stages, there can be a 95% 5-year survival rate; and

Whereas, thirty counties in Arkansas do not have a fixed mammography facility, and this creates a barrier for many women to easily access mammography, thereby possibly increasing their mortality rate; and

Whereas, it is estimated that in the United States, 266,120 women and 2,550 men will be diagnosed with breast cancer during 2018, and approximately 40,920 women and 480 men will die of the disease. In Arkansas this year, an estimated 2,160 new cases in females will be detected, and 410 breast cancer deaths will occur; and

Whereas, October is National Breast Cancer Awareness Month, and October 5 is designated as Go Pink for the Cure Day to bring awareness of the importance of mammography and to renew its commitment to removing obstacles that prevent women from seeking mammograms;

Now, Therefore, I, Pat McCabe, Mayor of the City of Hot Springs, on behalf of the Board of Directors do hereby proclaim October 5, 2018 as

“Go Pink for The Cure Day”

in Hot Springs, Arkansas. I urge all of my fellow citizens to join me in helping to promote efforts for the prevention and treatment of this deadly disease.

In Witness, Whereof, I have hereunto set my hand and caused the Seal of the City to be affixed on this 28th day of August in the year of our Lord, two thousand eighteen.

Pat McCabe, Mayor
